I know about environmental issues in the world.	1	2	3	4	5	6
I'd like to do something to protect the environment.	1	2	3	4	5	6

Fill in the blank for questions 5-8. If you don't know the answer, you can write "I don't know."

5. Name one thing you think you could do to help birds. You can write more if you know more than one thing you can do.

6. Name two birds you could find in your neighborhood. You can write more if you know more than two birds.

7. Name one habitat found in your neighborhood. You can write more if you know more than one habitat.

8. Name one way your schoolyard is important for birds. You can write more if you know more than one way.
